O R D E R

On March 15, 1994, Glen Holbrooks filed a letter with the Commission alleging, in part, that his service was wrongfully terminated by Estill Branham acting on behalf of Sigma Gas Company, Inc. After reviewing the letter, the Commission finds a prima facie case has not been established with respect to the only allegation in the letter over which we have jurisdiction - termination of service.

IT IS THEREFORE ORDERED that Glen Holbrooks shall, within 15 days of the date of this Order, amend his complaint to conform with the requirements set forth in 807 KAR 5:001, Section 12, attached as an Appendix, with respect to the allegations of wrongful termination of service. If Mr. Holbrooks does not amend his complaint in conformity with this Order within the time specified, this complaint shall be dismissed for failure to state a prima facie case without further order of this Commission.

Should documents of any kind be filed with the Commission in the course of this proceeding, the documents shall also be served on all parties of record.

Done at Frankfort, Kentucky, this 4th day of April, 1994.
